# Hij'inks': Winning 'air quotes'

#### **BY PAT MYERS**

In Week 1280, we asked you to insert "air quotes" into a word, then define it. "T'rump' " had already been done, not just in one of our own air quotes contests, but by the entire world.

### 4th place

Pr"ogress"ive: Hillary. - D.T., Washington (Jeff Contompasis, Ashburn)

### **3rd place**

Per"ha"ps: Yeah. we should definitely do lunch sometime! (Danielle Nowlin, Fairfax Station)

# 2nd place and the fartnoise-maker and euromotif toilet paper

"Colon" ialism: Exploiting another country till you've rectum. (Kathy El-Assal, Middleton, Wis.)

# And the winner of the Lose Cannon:

Be"lie"ve me: When a speech begins with this phrase, you know what to expect. (Brian Allgar, Paris)

# **'Not'able: Honorable mentions**

F"rat p"arty: "Man, this cheap beer tastes weird!" (Rob Huffman, Fredericksburg)

"Mad"onna: "I thought I told you to take a bath. No, it doesn't count if you just sit there on top of the water like that. JESUS, JUST GET IN THE TUB!" (Danielle Nowlin)

B"onan"za: Discovering your father's stash of Playboys. (Chris Doyle, Denton, Tex.)

Cele"brat"e: "It's my party and I'll cry if I want to." (Drew Bennett, West Plains, Mo.)

Hy"pot"hesis: "Hey, dude, I was thinking, like, what if, you know, like, wouldn't that be awesome?' (Roy Ashley, Washington)

Jer"USA"lem: Foreign city with an irritating bit of America stuck in its middle. (Kevin Dopart, Washington)

BOB STAAKE FOR THE WASHINGTON POST

# New contest for Week 1284: Same difference

The difference between the World Cup and armpit hair: This year, more Americans will be

watching their armpit hair.

 Alex Ovechkin's smile • a Roach Motel

- - The print version of The Washington Post
  - dust bunnies
  - the World Cup Florida Man
  - Kim Jong Un's Porta-John
  - a pound of scrapple
  - Oscar Wilde
  - Cold, hard facts
- armpit hair
- a North Korean beach vacation
- a deck of 51 cards
- an emotional-support peacock
- the new Duchess of Sussex
- edible glitter
- Justify's tail
- a coffee mug with a ceramic snake head inside

"Our similarities outweigh our differences," it's often said by the hopeful. For this perennial contest, the Empress will take similarities or differences, whatever's funnier. This week: Explain how any two of the items in the list above are similar, different or otherwise **linked**, as in the example so handsomely illustrated by Bob Staake. One positive note: The last time we did this contest, 14 months ago, one of the items was "World War III." And that never happened!

Submit entries at the website wapo.st/enter-invite-1284 (all lowercase)

Winner gets the Lose Cannon, our Style Invitational trophy. Second place receives an ultra-cool, if ultracreepy, large ceramic mug with a ceramic rattlesnake tail for a handle, scales on the outside . . . and the rest of the snake - culminating in a fangs-out ceramic snake head - coming right up the inside. From Invite fan Mary Ellen

# BY JACQUELINE BIGAR

ARIES (March 21-April 19) Opportunities to express your strength and determination emerge. Others might chill out or slow down when you express your energetic personality. Your popularity emerges because of a new, more-relaxed attitude. You naturally do and say the right thing.

## TAURUS (April 20-May 20)

Don't push a loved one past their limits. You might feel as if you can't change your interactions. Decide to be more direct about whatever it is you desire. Recognize that you need to express your thoughts more often.

## GEMINI (May 21-June 20)

Communication flourishes, and you seem to feel more connected to others than you have in the recent past. Honor a fast change of pace. Take time for a conversation that opens up a new way of thinking for you or the other person involved.

CANCER (June 21-July 22) Use care with your finances, and don't go overboard when expressing your feelings. Do a better job of listening. You could be involved in a difficult conversation. Know that you are unlikely to be able to change someone else's mind.

LEO (July 23-Aug. 22) Your upbeat personality will help take the edge off someone else's so-so mood. Remain sensitive to this person's needs. Understand your limits, and let others know when you have had enough.

VIRGO (Aug. 23-Sept. 22) Take your time answering someone else's questions. This person might be concerned about a mutual friend. Listen and make suggestions. Do your best to avoid a problem or hassle. Open up to a new opportunity, but do not commit to anything just yet.

LIBRA (Sept. 23-Oct. 22) Be sensitive to a friend who wants your support as well as your company. Don't allow minor details or any mild discomfort to get in your way. Look at your current situation as "mind over matter." Use caution with overspending.

SCORPIO (Oct. 23-Nov. 21) Realize how many people look to

you for advice. You tend to enrich the quality of others' lives. Your smile helps warm up a difficult matter. Do not accept someone else's negativity.

SAGITTARIUS (Nov. 22-Dec. 21) You might opt to go on a day trip or partake in some other type of adventure. Getting away will be beneficial. You will see difficult situations with new eyes, given time and space. Trust what you feel and see. Do not rely on hearsay or opinions.

CAPRICORN (Dec. 22-Jan. 19) Deal directly with a key person about a money commitment or agreement. You might feel as if you will achieve the goals you want as long as you remain focused. A meeting could be instrumental to your weekend. You have reason to celebrate.

AQUARIUS (Jan. 20-Feb. 18) Your efforts finally see some results. A key person in your life becomes more attentive and caring. You could be delighted by this person's support and attention. Allow your efforts to be examined and pulled apart. Your instincts serve you well.

PISCES (Feb. 19-March 20) Your caring ways attract others. A discussion could be difficult to hear. Others see you as a sensitive, loving person. You might get involved in a disagreement. Remain mellow with a friend who could be demanding.
