Like Everything Else in the World, this year's Kentucky Derby has been postponed from the usual first Saturday in May; it's now scheduled for Sept. 5. But why should that stop The Style Invitational from galloping on ahead with what's usually our most popular contest of the year? There's a twist, though: We're not using the usual list of horses nominated for this year's Triple Crown races. Below is a list of 100 of the 145 previous Kentucky Derby winners, from 1875 to 2019. "Breed" any two of the names and name the "foal" to humorously reflect the parents' names, as in the examples above. As usual, you get to submit up to 25 foal names.

Yes, there are only three fillies on the list. And there are several geldings. We're word people, not science experts. Sheesh.

Answers to last week's puzzle below.

# HOROSCOPE

BY MADALYN ASLAN

HAPPY BIRTHDAY | May 3: Insightful, clever and charming, you create a winner of a year. New financial opportunities appear in May, August and December. Make choices and pursue goals on Fridays, your lucky day each week. If single, you postpone the decisive action needed to ensure success in love. If attached, you, who place a lot of demands on your partner, decide to ease up, and romantic bliss ensues. Capricorn makes their own

ARIES (March 21-April 19) A former physical complaint manifests itself again, mainly because of stress. You are so brave, and you've kept it in for so long. But today, find time to take care of yourself. Good news comes your way, in financial form.

TAURUS (April 20-May 20) Children are the happy focus of the day. After a few nights of restless sleep, brilliant ideas abound. Fresh personal starts are indicated. Expect to be doing a lot of brainstorming. A creative project will go very well.

GEMINI (May 21-June 20) Today finds you redecorating your home. Moods are high, and in keeping with your already expansive way, rather overindulgent. There's nothing small or petty about the way you decorate, especially not now. You go all out.

CANCER (June 21-July 22) You seem to be doing a lot of thinking, talking and local running around. Naturally analytical, you use this period profitably by reexamining plans or ideas and discarding whatever or whomever is no longer valuable.

LEO (July 23-Aug. 22) You feel like buying, and could go a bit overboard. Luxury items have a very strong appeal. However, today's aspects are not good for large-scale spending, as you will most likely have to return what you purchase.

**VIRGO** (Aug. 23-Sept. 22) Your personal magnetism is high, and you attract the attention of higher ups. But be careful. You get in over your head, and conflict may accompany an immense sex appeal. Do not use others or let yourself be used.

**LIBRA** (Sept. 23-Oct.22) Take care of yourself mentally or physically since you could find

yourself more run down than usual. Sleep, meditate and think, You begin to find your thoughts deepened and intensified as you dig for answers with vigorous determination.

**SCORPIO** (Oct. 23-Nov. 21) Communication and enthusiasm from others thrill you today. The focus is on friendship and group activities that you follow online. Accept the many invitations that come your way. You feel more popular than you have in some time.

SAGITTARIUS (Nov. 22-Dec. 21) Today emphasizes fun and good times, particularly with an elderly relative. Make sure you check in and see that everything is all right. Try not to let minor hassles at the workplace upset your equilibrium.

CAPRICORN (Dec. 22-Jan 19) You seem to have a case of

wanderlust today. As you cannot go on a real vacation, take a virtual one. The yearning will also be quenched by browsing through travel books or even just calling a long-distance pal.

AQUARIUS (Jan. 20-Feb. 18) Joint income improves today, although there may be a few disagreements with your partner along the way. Obtaining loans is favored, but some might feel unduly pressured to make a financial decision. You need to do your best balancing act.

PISCES (Feb. 19-March 20) A new friendship might be found with a fiery, communicative person. You are likely to share similar outlooks and will learn from each other. Watch out, however, for domestic or romantic discord at home. If attached, your mate is volatile.
