Style Invitational Week 1126: How do your cartoon captions Staake up?

Plus the winning 'grandfoals' of Week 1122

It's the umpteenth (or maybe umpeenth-plus-one) Bob Staake cartoon caption contest. (Bob Staake for The Washington Post)

By Pat Myers May 28 [Follow @PatMyersTWP](#)

(Click [here to skip down](#) to the winning "grandfoal" names of Week 1122.)

Style Invitational Cartoonist for All Time Bob Staake might be immersed in his latest project, the

children's book "Beachy and Me" (it's about a whale). But fortunately for the Invitational, Bob is able to immerse himself into 27 things at once. And so once again: **Provide a humorous caption for any of the cartoons above.** Although the people in the cartoons don't seem to be talking, feel free to "quote" them anyway.

Winner gets the [Inkin' Memorial](#), the Lincoln statue bobblehead that is the official Style Invitational trophy. Second place receives [the Flyshooter](#), a little pistol-shaped gadget with which you shoot a spinning swatter disk at a fly. The Empress, while she is famously callous to the misery of ink-deprived Losers, actually wouldn't hurt a fly, at least for fun. And so she recommends this only for aiming at trouser zippers. Donated by Dave Prevar.

REFILLIES: THE WINNING “GRANDFOALS” OF WEEK 1122

In [Week 1122](#), our 10th annual “grandfoals” contest, we asked the Losers to “breed” any two “foal” names produced in [Week 1118](#) by breeding two names from a list of this year’s Triple Crown nominees.
