BOB STAAKE FOR THE WASHINGTON POST

Week 1299: OK, hivemind! A contest with new Scrabble words

**ARANCINI (rice balls) > rice > Condoleezza > condo leaser > Scott Pruitt > EPA > creepy A > "The Scarlet Letter" > Puritans > witch hunt > his latest tweet > FACEPALM (an "oh, no" gesture)**

Three weeks ago, Merriam-Webster announced some of the words it had just added to its online dictionary, and we asked you to write poems featuring them (see the results of Week 1296 next week). Now, this week, M-W has announced additions to its Scrabble dictionary — including the strategically important "ew," "OK" and "zen" — 50 of which we list below. So what to do with them? Gaack, not poems again.

So the Empress polled the hivemind of the Style Invitational Devotees group on Facebook (without showing the words, of course) and went with the suggestion of Loser Hildy Zampella.

- |          |          |          |          |
|----------|----------|----------|----------|
| aquafaba | conlang  | mulloway | sriracha |
| arancini | cotija   | nutjob   | substorm |
| beatdown | emoji    | nubber   | truther  |
| bestie   | ew       | OK       | twerk    |
| bibimbap | exome    | onboard  | upcycle  |
| bitcoin  | facepalm | papasan  | vape     |
| bizjet   | farro    | pizzazz  | wayback  |
| bokeh    | frowny   | puggie   | wordie   |
| botnet   | gamify   | rootkit  | yowza    |
| cankle   | hivemind | santoku  | zen      |
| captcha  | judy     | schneid  | zomboid  |
| capcom   | listicle | sheeple  |          |
| chyron   | macaron  | sho      |          |

**This week: Choose any two of the words in the list above as the beginning and end of a humorous word chain of 6 to 14 words or phrases, linked by subject matter, by synonyms or by punning, as above.** The online Invite has links to the Scrabble dictionary's mini-definitions; my Style Conversational column (wapo.st/conv1299) has a list of all the definitions so you won't have to click on each one; or you can look them up at scrabble.merriam.com.

Submit entries at the website [wapo.st/enter-invite-1299](http://wapo.st/enter-invite-1299) (all lowercase).

Winner gets the **Lose Cannon**, our Style Invitational trophy. Second place gets a genuine **snapping-turtle skull**, found in a swampy area near Richmond by Loser Jeff Shirley, who may have used his skills as a dentist to clean and polish it to an attractive semi-shine. It's surprisingly large, at least as big as the Empress's fist, even though, lacking a jaw, it will not snap.  
**Other runners-up** win our "You Gotta Play to Lose" Loser Mug or our Grossery Bag, "I Got a B in Punmanship." Honorable mentions get one of our lusted-after Loser magnets, "We've Seen Better" or "Idiot Card." First Offenders receive only a smelly tree-shaped air "freshener" (FirStink for their first ink). **Deadline is Monday night, Oct 8;** results published Oct. 28 (online Oct. 25). See general contest rules and guidelines at [wapo.st/InvRules](http://wapo.st/InvRules). The headline for this week's results is by Jon Gearhart; Chris Doyle wrote the honorable-mentions subhead. Answers to last week's puzzle below.

HOROSCOPE

BY JACQUELINE BIGAR

**HAPPY BIRTHDAY | Sept. 30:** This year is especially exciting. At times, you choose to respond impulsively. You seem ready to take off at the drop of a hat. You also will learn a lot, as you naturally seem to absorb information through osmosis. If you are single, you will want to be with someone who is willing to take risks and great adventure with a smile. If you are attached, the two of you enjoy each other's company more than ever. Gemini cheers you on and encourages you.

**ARIES (March 21-April 19)**  
 Speak your mind, and allow more creativity into your life. Others appreciate your authority. You could be overthinking a conversation. Relax more. Use some of your innate charm and wit, and success is likely to follow.

**TAURUS (April 20-May 20)**  
 You might be close to someone who feels as if they are quite the authority figure. This person can get stubborn and stuck on having their way. Walk away from controlling people, and you'll be much happier. Curb a tendency to overspend.

**GEMINI (May 21-June 20)**  
 Reach out to someone you really care about but often don't make time for. Reverse that tendency, and you will be much more content and easygoing. You share many common interests with this person, yet you live different lives. Open up more.

**CANCER (June 21-July 22)**  
 You might want to make an effort to turn around a story that keeps repeating itself. You might be confused by what a friend says. Are you getting mixed signals? Understand what is needed to clarify the situation. A partner could become controlling.

**LEO (July 23-Aug. 22)**  
 You have the magnetism and energy to bring others together for a fun, spontaneous get-together. Do not hold back; instead, open up to new possibilities. You might be surprised at what the energy between you and a partner can create.

**VIRGO (Aug. 23-Sept. 22)**  
 You could be in a pickle, as you deal with a problem regarding communication and a boss. You certainly don't look at life the same way. Rather than create a problem, decide to understand where this person is coming from.

**LIBRA (Sept. 23-Oct. 22)**  
 Be willing to make an effort to break with some of your conventional ways. Those around you will enjoy witnessing this transformation. Conversations become easier as others realize that you are trying to understand them.

**SCORPIO (Oct. 23-Nov. 21)**  
 Be more direct and more sure of yourself. You might not like what comes up for you when dealing with a partner. In some ways, you are very different from this person, yet this difference allows you to get to know each other better.

**SAGITTARIUS (Nov. 22-Dec. 21)**  
 Others seek you out before you can even get on the phone. Be appreciative that those around you are so assertive right now. You will have many choices to make. Do what you want to do, and don't be intimidated into doing what someone else wants.

**CAPRICORN (Dec. 22-Jan. 19)**  
 You might need to adjust your plans so that you don't miss out on a fun time. Still, you cannot ignore your obligations. Enjoying some lightness and frivolous fun helps you energize. Worry less. You will get a lot done after your break.

**AQUARIUS (Jan. 20-Feb. 18)**  
 You will enjoy laughter and being around lighthearted people; you also need an outlet for your high energy. Take a walk or get into a preferred hobby or sport. Consider a gym membership.

**PISCES (Feb. 19-March 20)**  
 If you feel anger bubbling up, take a break and head in a different direction. If possible, avoid expressing your strong feelings until you know where they're coming from. You might be surprised by the source.
